(1) Indices as of February 2007 (based on January 2007=100) substitute the indices which were published for February-June 2007 (based on October-December=100).

(2) As of January 2013, the Producer price index is arranged according to the Standard Industrial Classification of All Economic Activities, 2011, and accordingly, Manufacturing does not include mining and quarrying, and also not publishing activities. Therefore, the new codes 170030 and 170050 do not include these industries.
