(1) Comparison of data of different years should be made cautiously, due to administrative changes in the police regulations of registration of road accidents during 1993 and in December 1995. See "Source of data - explanations and changes".

(1) יש להיזהר בהשוואת הנתונים בין שנים שונות, עקב שינויים מינהליים שביצעה משטרת ישראל בנוהלי רישום תאונות במהלך 1993 ובדצמבר 1995. ראה "מקור הנתונים - הסברים ושינויים".
