1. Excl. institutions; as of 1974 - also excl. Bedouins in the South, and as of 1985 excl. also kibbutzim and student dormitories.
2. Data are based on population estimates revised according to the 1972, the 1983 or the 1995 Census results. As of 1998, a new weighting method was implemented. See Introduction to Chapter 12 - *Labour and Wages*.
3. Based on new weighting groups, see Introductions to Chapters 5 - *Households and Families* and 12 - *Labour and Wages*.
