1. Incl. duplicates resulting from multi-crop.
2. Due to a change in data collection methods, comparisons with previous years could not be made.
3. Incl. exposed area with a low cover.
4. As of 2006, does not include oranges. See in the explanation Introduction.
5. The data refer to 2004-2005. See explanation in the Introduction.
6. The figure is based on estimate. see Introduction.
