Labour Force Survey: Data for the 2nd Quarter of 2011

In the 2nd quarter of 2011:

- Unemployment rate among persons aged 15 and over – 5.5% (compared with 6.0% in the previous quarter).
- Participation rate in the civilian labour force among persons aged 15 and over – 57.5% (compared with 57.4% in the previous quarter).
- Employment rate¹ among persons aged 15 and over – 54.3% (compared with 54.0% in the previous quarter).
- Unemployment rate among persons aged 25-64 – 4.6% (compared with 5.2% in the previous quarter).
- Participation rate in the civilian labour force among persons aged 25-64 – 75.5% (compared with 75.6% in the previous quarter).
- Employment rate among persons aged 25-64 – 72.0% (compared with 71.7% in the previous quarter).

The labour force survey is the main source of information regarding the labour force in Israel, and is conducted by the Central Bureau of Statistics on an ongoing basis.

In recent years approximately 22,500 persons aged 15 and over have been interviewed every quarter. The survey population includes the permanent population of Israel, as well as tourists and temporary residents living in Israel continuously for one year or more. The survey follows the development of the labour force in Israel, its size and characteristics, the extent of unemployment, etc.

¹ Employment rate is defined as a percentage of employed persons, calculated of the total population

Written by Mark Feldman, Director of Labour Sector

Seasonally Adjusted Data

In the 2nd quarter of 2011 (April-June) the number of persons in the civilian labour force was 3.202 million. Of these, 3.027 million were **employed** and approximately 175,000 were **unemployed**. Among the employed persons, 1.601 million were **males** (1.578 million in the previous quarter), and 1.426 million were **females** (1.418 million in the previous quarter). These figures were published by the Central Bureau of Statistics from the ongoing labour force survey.

The participation rate among persons aged 15 and over in the civilian labour force in the 2nd quarter of 2011 was 57.5% (57.4% in the previous quarter). Among **males**, the rate reached 62.3% (62.2% in the previous quarter), and among **females** - 52.8% (52.9% in the previous quarter).

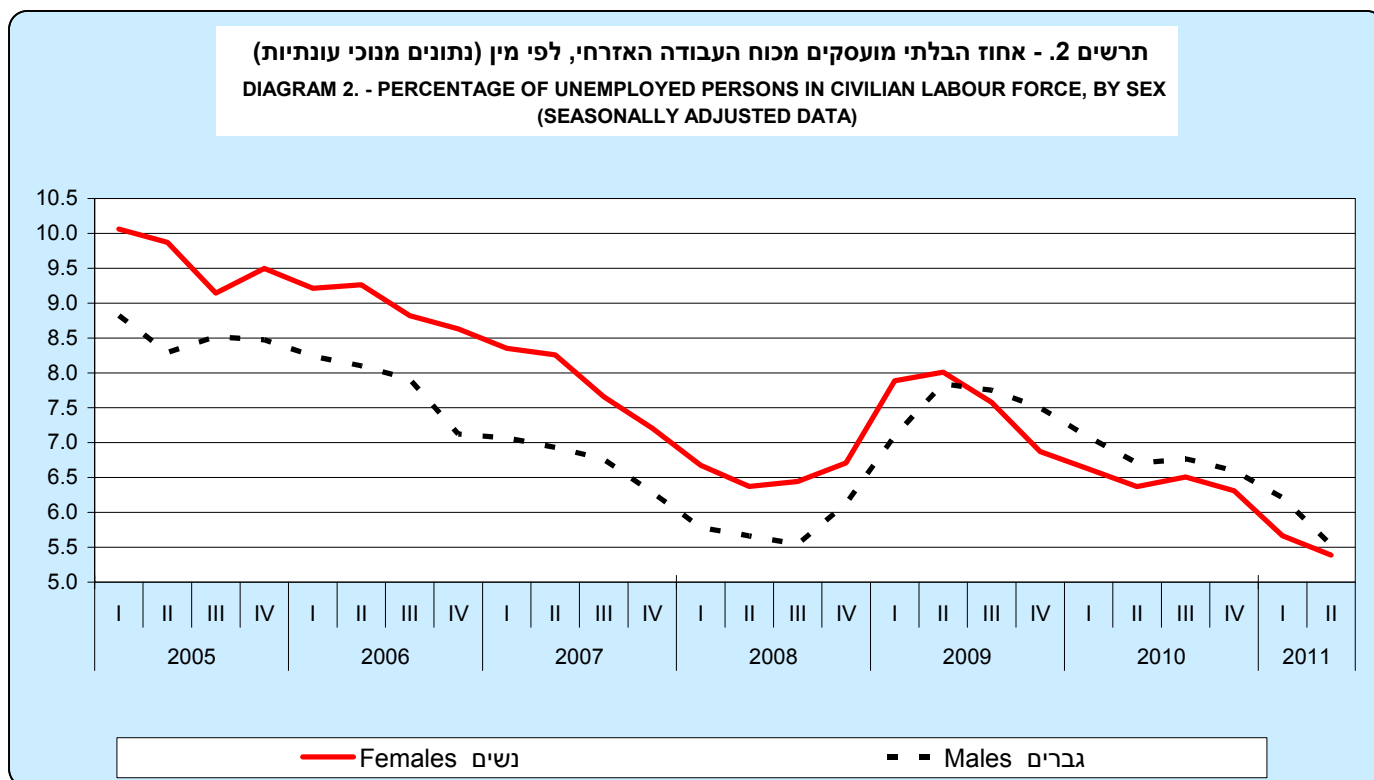

The unemployment rate among persons aged 15 and over, out of the total civilian labour force, declined in the 1st quarter of the year to 5.5% (compared with 6.0% in the previous quarter). The unemployment rate of **males** declined to 5.5% (compared with 6.2% in the previous quarter), and that of **females** declined to 5.4% (compared with 5.7% in the previous quarter). To be noted that, as of the 3rd quarter of 2009 unemployment rate of females is lower than unemployment rate of males (see diagram 2).

It should be remembered that unemployed persons are those who did not work for even one hour during the determinant week, and who actively sought work during the preceding four weeks by registering with the Labour Exchange or by application to employers, either in person or in writing, etc., and who could have started working in the determinant week, had suitable work been offered.

Among persons aged 25-64 the participation rate in the civilian labour force reached 75.5% in the 2nd quarter of 2011 (compared with 75.6% in the previous quarter). Among **males** the rate reached 81.4% (same as the previous quarter), and among **females** the rate declined to 69.7% (compared with 70.0% in the previous quarter).

Among persons aged 25-64 the unemployment rate declined in the 2nd quarter of 2011 to 4.6% (compared with 5.2% in the previous quarter). It declined to 4.6% among **males** (compared with 5.5% in the previous quarter) and to 4.5% among **females** (compared with 5.0% in the previous quarter).

The number of employed persons in the 2nd quarter of 2011 rose to 3.027 million compared with 2.997 million in the 1st quarter of 2011, a rise of 3.4% compared with the parallel quarter last year.

The number of employed persons who worked full time (35 hours and over) in the determinant week declined by 1.0%, compared with the previous quarter (a decline of approximately 20,000 employed persons); whereas the number of employed persons who worked part time (less than 35

hours) in the determinant week rose by 7.0%, compared with the previous quarter (a rise of approximately 56,000 employed persons).

The employment rate (calculated as the percentage of employed persons out of the entire population) **among persons aged 15 and over** reached 54.3% in the 2nd quarter of 2011 (compared with 54.0% in the previous quarter). The employment rate among **males** reached 58.9% (compared with 58.3% in the previous quarter). The employment rate among **females** reached 50.0% (compared with 49.9% in the previous quarter). Among **persons aged 25-64** the employment rate rose to 72.0% (compared with 71.7% in the previous quarter), among **males** that employment rate rose to 77.6% (compared with 76.9% in the previous quarter), whereas among **females** that employment rate reached 66.6% (compared with 66.5% in the previous quarter). (Detailed figures can be found in Table 1.23 in the "[Quarterly Labour Force Survey – Labour Force and Wages Statistics](#)" on the website).

The average weekly number of work hours per employed person declined to 36.3 hours in the 2nd quarter of 2011 (compared with 36.6 hours in the previous quarter). **The average weekly number of work hours per employee** declined to 36.0 hours in the 2nd quarter of 2011 (compared with 36.3 hours in the previous quarter).

The number of **employees working part time involuntarily** (i.e., those who searched for full-time or additional work but did not find it) rose to approximately 114,000 in the 2nd quarter of 2011 (a rise of 3.1% compared with the previous quarter), and their share out of all employed persons reached 3.8% compared with 3.7% in the previous quarter. The share of **males working part time involuntarily**, out of all employed males, reached 2.1% whereas the share of **females working part time involuntarily**, out of all employed females, reached 5.6% in the 2nd quarter of 2011. (Detailed figures can be found in Table 2.9 in the "[Quarterly Labour Force Survey – Labour Force and Wages Statistics](#)" on the website).

1st half of 2011 (Seasonally Adjusted Data)

In the 1st half of 2011 **the number of persons aged 15 and over in the civilian labour force** rose by 0.4% compared with the 2nd half of 2010. The number of **employed** persons rose by approximately 40,000, a rise of 1.4% compared with the 2nd half of 2010, however the number of **unemployed** persons declined in the 1st half of 2011 by 12.5%, and reached 5.7% of the total civilian labour force, compared with 6.6% in the 2nd half of 2010.

Civilian labour force characteristics by district of residence

(Detailed figures can be found in Tables 1.11-1.16 in the "[Quarterly Labour Force Survey – Labour Force and Wages Statistics](#)" on the website).

The unemployment rate among persons aged 15 and over declined in the 1st half of 2011 in most districts compared with the 2nd half of 2010, and reached 5.9% in the **Jerusalem District** (compared with 7.5%), 6.3% in the **Northern District** (compared with 8.1%), 5.2% in the **Haifa District** (compared with 7.3%), 5.2% in the **Central District** (compared with 5.7%), and 6.7% in the **Southern District** (compared with 7.7%). The unemployment rate in the **Tel Aviv District** reached 5.3% (same as 2nd half of 2010).

The participation rate among persons aged 15 and over in the civilian labour force declined in the 1st half of 2011 compared with the 2nd half of 2010 in three districts and reached 46.1% in the **Jerusalem District** (compared with 49.0%), 51.1% in the **Northern District** (compared with 52.5%) and 54.7% in the **Southern District** (compared with 55.2%). In three other districts the participation rate in the civilian labour force rose and reached 57.0% in the **Haifa District** (compared with 55.8%), 62.4% in the **Tel Aviv District** (compared with 62.2%) and 64.2% in the **Central District** (compared with 63.6%).

The employment rate among persons aged 15 and over rose in the 1st half of 2011 in most districts compared with the 2nd half of 2010, and reached 54.0% in the **Haifa District** (compared with 51.8%), 60.9% in the **Central District** (compared with 60.0%), 59.1% in the **Tel Aviv District** (compared with 58.9%) and 51.0% in the **Southern District** (compared with 50.9%). In two other districts the employment rate among persons aged 15 and over decline: 43.4% in the **Jerusalem District** (compared with 45.3%) and 47.9% in the **Northern District** (compared with 48.3%).

Employed persons by industry

In the 1st half of 2011 the number of employed persons rose by 40,300 compared to the 2nd half of 2010; The greatest addition of approximately 15,000 employed persons occurred in **Education**, and the number of employed persons in this industry reached approximately 385,000 in the 1st half of 2011. An addition of approximately 11,000 employed persons occurred in **Public Administration**, an addition of approximately 10,000 employed persons occurred in **Community, Social, Personal and Other Services** and an addition of approximately 9,000 employed persons occurred in **Transport, Storage and Communications** and the number of employed persons in these industries reached approximately 148,000, 162,000 and 201,000 respectively.

The greatest decline of approximately 7,000 employed persons occurred in **Business activities** and the number of employed persons in this industry reached approximately 428,000 in the 1st half of 2011.

A decline of approximately 6,000 employed persons occurred in **Construction**, a decline of approximately 5,000 employed persons occurred in **Agriculture** and a decline of approximately 4,000 employed persons occurred in **Manufacturing**, and the number of employed persons in these industries reached approximately 159,000, 41,000 and 415,000 respectively.

The number of **employees** rose in the 1st half of 2011 by 31,100 and reached 2.628 million employees (compared with 2.597 million in the 2nd half of 2010). The greatest additions occurred in **Education** – rise of approximately 16,000 employees, in **Public Administration** - a rise of approximately 11,000 employees and in **Transport, Storage and Communications** - a rise of approximately 10,000 employees, and the number of employees in these industries reached approximately 370,000, 145,000 and 174,000 respectively. The greatest declines occurred in **Business activities** – a decline of approximately 9,000 employees, in **Construction** - a decline of approximately 6,000 employees and in **Manufacturing** - a decline of approximately 4,000 employees, and the number of employees in these industries was approximately 343,000, 122,000 and 389,000 respectively.

Employed persons by occupations

The greatest rises in the number of employed persons occurred among **Associate professionals and technicians** – rise of approximately 15,000 employed persons, and among **Agents, sales workers and service workers** - rise of approximately 14,000 employed persons and the number of employed persons in the 1st half of 2011 in these occupational groups reached approximately 462,000 and 616,000 respectively.

Among **employees**, an addition of approximately 10,000 employees occurred among **Associate professionals and technicians**, an addition of 8,000 employees occurred among **Manufacturing, construction and other skilled workers** and an addition of approximately 7,000 employees occurred among **Agents, sales workers and service workers** and the number of employees in the 1st half of 2011 in these occupational groups reached approximately 396,000, 410,000 and 508,000 respectively. On the other hand, a decline of approximately 5,000 employees occurred among **Academic professionals** and the number of employees in the 1st half of 2011 in this occupational group reached approximately 378,000.

- Additional figures on this subject appear in the "Quarterly Labour Force Survey – Labour Force and Wages statistics" on the Central Bureau of Statistics website: www.cbs.gov.il.
